Dear Folks;

Our family attended your rodeo this past weekend, and we wanted to congratulate you on putting on the best rodeo we have ever been to. We used to go to the Grand Nationals at the Cow Palace every year, but after seeing your rodeo, we'll be coming to Stoneyford instead. The Grand Nationals couldn't match what you put on this weekend. Your rodeo announcer was excellent. I'd hang on to him. Was that Cotton Rosser? Whoever he was, he had a great sense of humor, and did a very good job of keeping us entertained. The Muttin Busters were a kick. And the people of Stoneyford were very friendly and warm. I could go on, and on, so I'll end this by saying THANK YOU, it was a great rodeo, and I'll see you next year.
